

Coronavirus (COVID-19) Visitor & Contractor Questionnaire

Cobham Advanced Electronic Solutions (CAES) is taking a number of precautions to combat the spread of Coronavirus (COVID-19) in order to help safeguard the health and well-being of our employees, contractors and visitors and is implementing temperature screening across all CAES facilities.

1. Do you have any symptoms of Coronavirus (COVID -19), which may include; fever, unusual and continuous cough or shortness of breath?
Yes No
2. Have you knowingly had any contact with anyone who has been diagnosed with the Coronavirus (COVID-19)?
Yes No
3. In the last 14 days, have you traveled to/from a "high risk" country such as China, Japan, South Korea, Italy, or Iran ?
A list of countries considered "high risk" is available at <https://wwwnc.cdc.gov/travel/notices>
Yes No
4. Do you consent to participating in Temperature Screening? (Note: temperature over 100.4F is considered positive for screening purposes). If answered "No" access will not be granted.
Yes No

I understand that if any of my answers to the above change, I will disclose this to my CAES contact and will not enter any CAES facilities until cleared to do so by a medical professional.
